"A PERSONAL JOURNEY"

by

LUCIENNE
PSZENICA-MORRISON
(Retrospective)

9 Jun-19 Jul 2009

Lucienne's Retrospective Exhibition traces her coming to terms - partly helped by her artistic training - with her experiences as a Jewish child in German-occupied France during World War 2 followed by conflicts in her private life. Her art reflects her steady personal and artistic progress, inspired by a keen interest in the Arts, music and nature.
