”כי ביתי בית תפילה יקרא לכל העמים” (ישעיהו נ"ו, ז')

Dear friends of Sulam Yaakov

I am happy to inform you that we the Sulam Ya'akov congregation in Zichron Ya'akov have received the building permit for our new synagogue. Our congregation members have invested lots effort and funds to make this day happen and will continuing the hard work in the coming month. However without your support and contribution to our fundraising this day could not have happened. Our members deeply appreciate your support and would like to make you know that you are always welcome to come and visit us when you are in Israel.

We all wish you and your families a happy Passover.

Gideon Gerzon
President, Kehillat Sulam Yaakov
