

The NPLS Burial Cremation & Funeral Expenses Scheme

1st January 2019

Scheme Rules. The current Scheme rules can be found on the NPLS website at www.npls.org.uk/funeralscheme. A paper copy can be requested from the Synagogue office.

Surcharges. The NPLS Scheme only pays for the cost of a basic funeral. Any additional charges incurred will be invoiced to the member's family or estate.

The current most common surcharges are shown below. In some situations other surcharges may be incurred. The undertaker will always inform families about any charges.

Service	Charge
Limousine for mourners	£265
Excess Mileage (outside the M25)	£2.00 per mile
Sunday cremation at Golders Green Crematorium	£150
Home visit to collect paperwork	£80
Woodland burial at Edgwarebury or Cheshunt	£2,100 single-depth £3,120 double-depth

Stone-settings. Members should note that NPLS' Scheme does not cover any of the costs associated with ordering and erecting a headstone on a grave. Enquiries about headstones and stone-settings should be directed to LJ (Alexandra Simonon) or to one of NPLS' Rabbis.

New grave search facility at Edgwarebury cemetery. There is a new grave search facility on the cemetery's website. It is available online at www.edgwareburycemetery.org.uk

NPLS' Burial Officer. If members have any questions about the Scheme, would like to check their Scheme entitlements, or would like to notify or update NPLS about their preference for burial or cremation, they should contact NPLS' Burial Officer Phil Stone on 01923 537225 or by email to funeralscheme@npls.org.uk.
